Legal Consultant (Individual) Services
For Drafting Standard Deeds

The Government of Punjab is executing a project titled “Land Records Management and Information Systems” with the objective of improving the quality of land records management in the province.

Under the project the government also proposes to improve the Business of Process for registration of deeds. Board of Revenue proposes to hire an individual consultant to draft standardized templates for deeds, which will be used in the registration process. The consultant will also identify areas of improvement in the registration process.

The Project Management Unit – Board of Revenue now invites eligible candidates, who are available to work as individual consultant, to indicate their interest in providing services to the project on the Terms of Reference which can be obtained from the address given below.

The individual consultant must be a law graduate, preferably with a higher degree. He/she should have a thorough grasp of the civil law, particularly law of conveyance and registration as well as land records laws and rules in the Punjab. Interested individuals must provide information indicating that they are qualified to perform the services (description of similar assignments, availability of appropriate skills with relevant qualification etc.). Expression of Interest including a copy of curriculum vitae must be delivered at the address given below latest by 08-11-2010.

PMU-Board of Revenue reserves the right to reject one or all of the EOI without assigning any reason.
